

THE ROTARY CLUB OF LINCOLN  
AUGUST BULLETIN 2024

Meeting held on Monday 12<sup>th</sup> August. The picture shows President Dennis awarding Immediate Past President John with his past President's badge.

The speaker was to have been Lesley Hutton, the head nurse for Carers in the Langworth Ward. Given that the temperature was at a record high on his day, she decided that her services would be in greater demand at the hospital and had to give her apologies.

At our meeting on 12 August there was a letter waiting for us at the Nightingale from St Christopher's school. The cover page is as shown with several messages and sketches from the children who went on the Kids Out trip to Sundown.

**THURSDAY 8<sup>TH</sup> AUGUST, INNER WHEEL FUNDRAISING TEA PARTY AT THE HOME OF INNER WHEEL PRESIDENT MARGARET MILLER.**

This party was the first opportunity for a get together between our Rotary Club and The Inner Wheel Club of Lincoln since President Margaret recommended closer links between us at our last meeting.

The fund raising on this occasion was for the Lincs and Notts Air Ambulance. A voluntary entrance fee and the cost of the raffle tickets raised the money.

Our President Dennis and his Fiancé were present along with a small number of Rotarians. There were several partners of the Inner Wheel members who are not Rotarians also present. See photograph which follows.

The President's table.

**MONDAY 12<sup>TH</sup> AUGUST, MEETING (CONTINUED)**

The President welcomed PDG Richard Long ,now a member of E-CLUB of District 1070, and Richard returned greetings.

Peter Manton reported that Branston village would like to borrow the sleigh from 9<sup>th</sup> to 12<sup>th</sup> December to tour the village as usual. The booking for the sleigh to visit Waitrose on 13<sup>th</sup> and 14<sup>th</sup> December would still be possible.

The Sid Proud memorial bench is still parked at Peter Manton's home following refurbishment some time ago. The Church warden had warned that the two benches would have to be moved when the new Church entrance was constructed. No decision has been received about that in spite of several phone calls.

Terry Coffey announced that the Fire and Concert Band are going to Neustadt in May next year to a Celebration of the development of the Wine Region. A luxury coach is being arranged and it would be good if the Rotary Club could join in.

The President informed us that we should support the Lincoln Community Larder which is situated on Rosemary Lane.
